How about a nice game of chess?

(D5 is a chess move and also part of a last resort plan by the Cabal>Deep State to use a ship missile system to keep what they have; it also has the ability to create a Coronal Mass Ejection CME from the sun to create a mass extinction event.

Wallenberg used to push Covid/vaccines, Democrat wish lists, cover Joe Bidens mistakes, vote by mail scam and it was used to weaken the election, but with President Trump taking over it will eliminate any strategic positions the Cabal> Deep State held. There is also a life size chess board on Richard Branson's Necker Island)

IG Horowitz ("Justice" Dept) speech – 'whistleblowers'

(The signaling method, a phone, used to launch a missile from the ship missile system, to deter anyone speaking out against the Cabal>Deep State. SecureDrop, hosted by Apache, was an open-source whistleblower program that allows the media to install and accept testimony from anonymous sources. The CIA was actually in charge of the program so this helped them to weed out and eliminate whistleblowers like John Perry Barlow, an internet free speech pioneer.)

What was learned?

Michael Sussman exposed...

FISA Background:

Seth Rich. The FBI released documents that may tie Former Secretary of State Hillary Clinton to the Seth Rich murder. July 2018 emails mentioning Special Council Robert Mueller and Clinton and both mentioning hiring a hitman and Seth Rich.

In 2016, according to testimony from Silk Road Task Force member Ryan D White which Former Deputy Attorney General Rod Rosenstein was in charge of at that time out of Baltimore Md. Rosenstein's associates Shawn Bridges, Carl M Force IV were caught stealing Bit Coin during a Silk Road case in sent to jail. Rosenstein remained in contact with others involved that were never charged.

Former Deputy Attorney General Rod Rosenstein acquired the help of Drug Enforcement Agent DEA Joseph Rosati and Alcohol Tobacco and Firearms ATF agent Alan L Boroshok to retrieve the thumb drive that Seth Rich always carried with him which contained the DNC emails, in which Wikileaks ultimately posted. DEA Agent Joseph Rosati testifies that he hired the two MS13 agents Rafael Aguilar and Carmelo Marmeljo-Calixto, to rough up Seth Rich and retrieve the USB key. DEA Agent Rosati and former owner of Nexus Consulting Kevin C Doherty met Aguilar and Calixtro and brought them to Seth Rich's location. The two MS13 members approached Rich on the night of July 10, 2016, and in a botched robbery of the USB they ended up shooting and eventually killing Rich. DEA Agent Rosati assisted the MS13 members in their escape 434 miles away to Myrtle Beach, South Carolina where he ultimately shot them dead on July 11, 2016.

Ryan D White claims Rosenstein dealt with all of the loose ends with the Seth Rich case and would ultimately sign the illegal FISA warrants meant to take down President Trump in the Russia Spying collusion. This would allow Vice President Pence to take power and for Rosenstein to be named VP.

-Who was found dead (2) shortly after his murder? What affiliation did they have?

Both DNC Staffer Seth Rich and DNC IT Staffer Imran Awan both had inside access to DNC servers. Imram Awan was part of an IT outfit known as the Awan Brothers who were 2 Pakistani Nationals working for the DNC and Chairman Debbie Wasserman Shultz using servers in Pakistan to maintain DNC information.

On July 10, 2016, at approximately 4am, Seth Rich was murdered near his Washington DC home. On July 11, 2016, MS13 Members Rafael Aguilar and Carmelo Marmeljo-Calixto are found murdered with multiple gunshot wounds, 434 miles away in Myrtle Beach. July 22, 2016, Wikileaks begins releasing DNC emails which detail Secretary of State Hillary Clinton and the DNC's effort to shut out Democrat Candidate Bernie Sanders who endorses Hillary Clinton 2 days after Rich's murder. DNC Chairman Debbie Wasserman Shultz resigns over the scandal. July 25, 2016, Imran Awan is arrested for bank fraud charges and cannot leave the country. Both Awan Brothers were detained. In early August of 2016 Julian Assange mentions Rich's murder in an interview about great risks Wikileaks sources take. In the months directly following President Obama, Hillary Clinton, CIA Director John Brennan, DNI James Clapper, House Minority Leader Nancy Pelosi and the Mainstream Media including The Washington Post and New York Times start to spin a DNC Russian election hack story in which a 3rd party contractor Crowdstrike links to the Ukrainian military which was later debunked. On October 7, 2016, Wikileaks releases the first of the Podesta emails whom Wikileaks associate Craig Murray eventually confirms he received from a source in Washington DC. All throughout members of the Rich family tweet out implications that there is foul play with the DNC. In March of 2017 the Rich family hires DC area detective Ron Wheeler who claims there is evidence Seth Rich was emailing Wikileaks and there may be a connection to Imran Awan.

2016- Five Pakistani DNC IT staffers with no clearance, 3 brothers Imran Awan, his wife Hina Alvi, Abid and Jamal Awan and friend Rao Abbas all had access to congressional servers and It equipment at the They started getting noticed when a computer equipment request showed \$120,000 missing. Then Imram Awan is arrested and ultimately indicted for Bank Fraud while trying to leave the country and wiring \$165,000 at the same time. His wife Hina was allowed to leave the country. When searching his home, the FBI seized computers and found smashed hard drives. The indictment indicated, "Defendants AWAN and ALVI did unlawfully, willfully, and knowingly conspire, combine, confederate, and agree with each other to commit offenses against the United States," regarding bank fraud, false statements and unlawful bank transactions. These individuals all worked for Debbie Wasserman

Schultz who continued to double talk and defend them after being caught and even gave Imran Awan another position with the House doing various office jobs for staff.

The events led to a House investigation and House's Office of the Inspector General report indicated the Democrats were careless and to inform the constituents of the breach. There were also indications of nefarious purposes and elevated risk that information/documents were read, stored or removed. Lawmakers have expressed their concerns over Wasserman-Schultz Awan even after the indictment. Frontpage Magazine did an exclusive report that links the Awan Brothers to the Muslim Brotherhood and Imran Awan also has ties to Intelligence through his father Haji Ashraf who was the head of a Pakistani Intelligence agency.

On October 28, 2016, FBI Director James Comey notifies congressional leaders of the emails leaked from Secretary Clintons personal server and that the FBI will review for classified information. And on Jan 10, 2017, he informs the Senate committee publicly of the DNC Russian Hack and how they never inspected the devices they instead used Crowdstrike. In March of 2017 he along with NSA Director Rogers appears before the House Intelligence Committee confirming again, they never had access to the physical machines but relied on Crowdstrike. President Trump fired Comey on May 9, 2017, for mishandling the email and Russian hack controversy.

Woods Procedures:

On Sept 30, 2021, "Execution of its Woods Procedures for Applications Filed with the Foreign Intelligence Surveillance Court Relating to US Persons" Report was released by DOJ Inspector General Michael Horowitz. FISC allows the government to spy on others using the Foreign Intelligence Surveillance Application FISA. Once applied for it's not usually subject to any scrutiny in subsequent proceedings, because of this the DOJ/FBI have duty to maintain integrity in the process including supplying all material facts and to correct and misstatements or omissions of facts. According to Rule 13 these must be made in writing and immediately inform the original presiding Judge. This also includes corrections/modifications and steps to correct and disclosure of non-compliance. All must include in writing to the original Judge, steps to correct any and all issues.

This report focuses on the Woods Procedures, which is a process that minimizes factual inaccuracies in FISA applications. All statements must be scrupulously accurate before presenting the application to the presiding Judge. The latest sample audit by IG Horowitz included 29 FISA applications. Numerous instances on non-

compliance were found using the Woods Procedures in 25 of the files and of the remaining 4 files, the FBI could not supply the original versions. The same 29 files showed over 400 instances of non-compliances with Woods Procedures and between Jan 2015 and Mar 2020 another 7000 applications had 179 missing required Woods Files. They also found inaccurate and missing information as well as the information needed to support statements in the documents, instead saying the target supported a specific cause. IG Horowitz's Dec 2019 report on Carter Page's FISA application showed substantial issues and misconduct as well and even recommended remedial measures to correct the issues created by the FBI.

The Four 2016 FISA Applications:

Paul Manafort

George Papadopoulos

Carter Page

General Michael Flynn

Crossfire Hurricane:

The Obama administration conspired to spy against President Trump using UK MI5/6/SIS, Five Eyes, Israeli NSO Pegasus Surveillance and FISC to obtain permission. They were also spying on Senator Cruz's presidential campaign.

Queen Elizabeth II in the UK was using Israeli NSO Pegasus to spy on everyone, she called all the shots through Obama's administration. The exchange of classified information flowed freely with or without the use of FVEY. On the 2016 election night 7 people, Barack Obama, Hillary Clinton, James Comey, Susan Rice, John Podesta, Chuck Schumer and Adam Schiff flew to London to have a private secret society meeting with Angela Merkel, Jacob Wallenberg and Queen Elizabeth II. The meeting was to discuss how to remove Donald Trump from the US Presidency using the one of their ships that have shipping container missile systems and they discussed how to keep their worldwide trafficking scheme quiet. (Q2658/Q4556)

The Obama administration lied on the FISA applications. Germany helped build the Steele Dossier. The Dossier was paid for by former Secretary of State Hillary Clinton, who held ship missile system against people get it done. It was another set up to take down President Trump. They could not lose control or allow their treason or satanic

pedo acts come out. They wanted to rig the election. Senator John McCain and Senator Lindsey Graham pushed it because they are part of the Deep State and every media outlet who reported the false information was sharing a hoax. Buzzfeed News, along with the Soros funded International Consortium of Investigative Journalists (ICIJ). MSM heads conspired with Dems to help push Fake Russia narrative.

Fusion GPS had Perkins Coie Michael Sussman, paid by Hillary Clinton, and a secret DNC committee with Chair Debbie Wasserman Schultz, CEO Amy Dacey and Mr. Anthony Brown push the Russian narrative that President Trump was communicating with a Russian Alfa Bank server in March of 2016. Mr. Sussman's Sept 16, 2021 indictment reveals in section 7. "The FBI's investigation of these allegations nevertheless concluded that there was insufficient evidence to support the allegations of a secret communications channel with Russian Bank-1. In particular, and among other things, the FBI's investigation revealed that the email server at issue was not owned or operated by the Trump Organization but, rather, had been administered by a mass marketing email company that sent advertisements for Trump hotels and hundreds of other clients." They knew the information was false before they pushed it out to the media yet did it anyway.

In 2016, Barrack Obama and FBI Director James Comey told Deputy Director Andrew McCabe and Deputy Attorney General Rod Rosenstein to approve the fraudulent FISA applications for Trump's aid Carter Page, this allowed Obama to spy on Trump. Obama then pushed the Steele Dossier, supported by the FBI and Director of Counterintelligence Bill Preistap, and that Hillary Clinton paid for claiming Russian Election interference. Director of National Intelligence James Clapper tried to get the Supreme Court to invalidate Trump's presidency while Fusion GPS agent Natalia Veselnitskaya set up Trump's Campaign Manager Paul Manafort for the Trump Tower events regarding Donald Trump Jr and Jared Kushner and then FBI Deputy Asst. Manafort was a deep state plant, he was deeply in debt to Russian oligarch Oleg Deripaska, so they gave him a way out by setting up President Trump.

Former FBI Special Agent Peter Strzok & Deputy/Acting Attorney General Sally Yates went after Trump's National Security Advisor General Flynn. Obama used UK MI5/6/SIS, Five Eyes, Israeli NSO Pegasus Surveillance and FISC to obtain permission. Also assisting were German PM Angela Merkel, UK PM May and CIA Director Gina Haspel, who was the prior CIA UK Station Chief. Obama also used Senators Warner, Cardin and Corker as well as the State Department.

Under FISA UK assist, the surveillance allowed for a ‘2 hop’ rule. Since Carter Page was the target in the original application for Russian spying, the FBI was then able to spy on anyone Page was in contact with and anyone the next person was in contact with. This included President Trump, NSA Director General Flynn, Trump’s campaign manager Paul Manafort, Trump’s campaign advisor George Papadopoulos, and Senator Ted Cruz. The original application was dated April 1, 2016, 11 days before Carter Page joined the Trump campaign on March 21, 2016, and 10 days after the Buryakov press release identified Page as the Russian agent on March 11, 2016. The FBI used this same application plus 3 renewal applications as their basis for the Dossier and then ultimately the Special Counsel Robert Mueller investigation. This throws off the timeline and shows that Obama’s intel team was spying on President Trump and Senator Cruz long before Carter Page was involved and likely earlier during the presidential campaign.

CIA Director John Brennan and Peter Strzok used an Intelligence Community Assessment ICA with the Dossier added to it while Strzok’s wife Melissa Hodgman was hiding Hillary’s email evidence. Hiding Hillary’s evidence was also the reason of former President Bill Clinton and Attorney General Loretta Lynch’s Tarmac meeting in June of 2016. As an exchange, Lynch was promised a Supreme Court appointment once Justice Ginsberg stepped down.

FBI Director Comey, DAG Sally Yates and NSA Director Rice had a meeting with President Obama on January 5, 2017 where they were told to have this handled by Intelligence and law enforcement communities “by the book”, this actually implies they don’t always do everything “by the book”. This is where Comey claimed incoming NSA Flynn was speaking to Russian Ambassador Kislyak and noted that the level of communication was unusual.

National Security Advisor Susan Rice, under the threat of the ship missile system, unmasked Flynn’s meeting with Russian Ambassador Sergei Kislyak, with help from the Washington Post reporter Adam Entous, who leaked it from a source that saw it in a Palpatine’s Revenge game chat log discussion. As early as November 2016, unmasking requests to the NSA were made by 16 people including US Ambassador to the UN Samantha Power, DNI James Clapper and then Vice President Joe Biden made a few of the requests. This was before the actual Flynn/Kislyak phone call on Dec 29, 2017, proving a set up occurred beforehand. Approved by Rice in 2017 under Obama’s guidance and Russian interference Executive Order, in a purely political move.

During this timeframe, Strzok's FBI interview with Flynn on January 24, 2017, forcing Flynn to later plead guilty and be fired about lying to Vice President Pence. Strzok also withheld exculpatory evidence of handwritten notes taken by him, DOJ official Tashina Gauhar and FBI Lawyer Dana Boente, during and after the meeting with Flynn that found that he had not engaged in any wrongdoing. The FBI kept the case open regardless to pursue Joe Biden's suggested idea to prosecute him under the Logan Act which didn't apply either.

Trump's campaign advisor George Papadopoulos and Australian Ambassador Downer were spied on by Strzok in London and this was used to set up the Robert Mueller investigation and the 2019 impeachment of Trump.

Strzok and FBI General Counsel Lisa Page's texts revealed Obama's involvement and plan to take down Trump and hide Hillary's crimes, including crimes against children. Brennan's CIA spied on FISA court head Chief Justice Roberts who was likely blackmailed into all FISA investigations including Flynn's, who was ultimately pardoned by the President. The Illuminati Cabal and Hillary held CIA spying info and Ship missile system from her armada of ships, against people get it done.

Written on May 16, 2017, the Andrew McCabe memo revealed Rod Rosenstein's willingness to wear a wire to frame President Trump, Robert Mueller was set up by Rosenstein to be the Special Counsel for the Russia investigation including interviewing President Trump that day and it also reveals efforts by Attorney General Barr to protect Rosenstein's corrupt intent in the process.

Also, in May of 2017 the Comey Memos were released by one of his friends and four of the seven memos were classified. They claimed pressure from the media for information on the Russia probe, also information about President Trump with Prostitutes at the Ritz Carlton in Moscow which Comey discussed with the President in Jan of 2017. President Trump called this fake news but the media including CNN already had wind of it. The memos were filled with more unsubstantiated allegations about connections with Russia. This sparked the media whirlwind of Russia collusion that ultimately led to the Special Council investigation and then later the impeachment.

On November 22, 2017, Attorney General Jeff Sessions appointed US Attorney for Utah John Huber directing him to investigate Hillary Clinton and claims of FBI and DOJ misconduct, which didn't amount to much so in May 2019 Attorney General Barr assigned a special counsel to John Durham who is known for successfully prosecuting

mobsters like the Gambino, Genovese and Patriarca. He also was tasked to go after Boston corruption and in 2005 he investigated the CIA for destruction of videotapes regarding 9/11 interrogation something that former CIA Director Gina Haspel also did at the CIA black site in Thailand. He is in charge of investigating the Deep State corruption that occurred during FISA as well as other crimes. But it's been delayed because of the ship CME and missile system threat to the world.

Most of the information discovered here was received from the Inspector General Michael Horowitz report on FISA released on December 9, 2019, but the IG concluded that the DOJ and FBI largely complied with policies. Both Barr and Durham publicly commented that they disagree with the conclusion of the report. A likely conclusion if the threat of ship missile system were known.

Robert Storch confirmed NSA IG.

(Representative Schiff is a confirmed CIA/Mossad foot soldier)

First presidentially-appointed IG for NSA?

(Representative Schiff is a confirmed CIA/Mossad foot soldier appointed by the Queen)

Dept of "Justice" [background] important?

The Uranium One deal allowed for the Cabal to build an armada of ships with miniature depleted uranium nuclear missile capabilities using Club K shipping containers. These are also equipped with Direct Energy Weapons DEWs and fitted on containers ships around the world.

Iran, Russia and North Korea get 20% of US Uranium in connection with Gulftainer, Crescent Petroleum and Rosetec/Rosoboronexport, which they also used to produce Club K missile systems. Also connected through Project Pelican and Gulftainer's Port Canaveral completed in 2018 which allows them a 35-year cargo container terminal lease. This allowed them to have their armada of ships with shipping container missiles systems based in the US as their "military" presence.

Federal prosecutor in N. District of NY [background] important?

(The Southern and Northern District of New York SDNY/NDSY are a strategic position for the Deep State. Holding all of the AG's and Judges in that area helps them control the Judicial system. It also happened to be the jurisdiction for all the important evidence like the Weiner laptop, Clinton Foundation case, Epstein evidence collection and Ukraine. These were all buried or made to disappear, any attempt to remove Judges or AG's results in the use of the ship missile system.)

CHAIRMAN OF THE COUNCIL OF THE INSPECTOR GENERALS ON INTEGRITY AND EFFICIENCY [BACKGROUND] IMPORTANT?

(Adam Schiff, CHAIRMAN of the House Intel Comm and has foot soldiers to help keep the Cabal>Deep State in control. He was caught leaking classified information in order to damage President Trump. Former acting Director of Intelligence Richard Grenell called Adam Schiff out for leaking classified information and for not coordinating on DNI reforms, he has been repeated asked to do the latter for years. President Trump also said he should be investigated for leaking intelligence. He was also caught lying to the press about having Russia/Trump evidence which was soon proved wrong when the actual documents were released with no such evidence. President Trump also purportedly left Schiff out of the Abu Bakr al Baghdadi operation because Washington is a "leaking machine". Schiff often compromise integrity and has proven to be a bad faith actor, all for partisan politics. He also lied about the Ukraine phone call, the President read the transcript out loud for all to hear and Schiff still lied about it reading his own "parody" of a transcript which the public believed to be real.

(Prior to joining NSA, Adam Schiff used the missile ship system to deter whistleblowers from coming forward, he used phones to control missile launches to make sure any attempts at whistleblowing did not come to light.)

"Earlier in his career, Mr. Storch also worked as a federal prosecutor in the Northern District of New York, most recently serving as the Deputy Criminal Chief and Counsel to the U.S. Attorney. He was also posted overseas for two years as a Department of Justice Resident Legal Advisor in Ukraine."

(Any Northern or Southern District of New York AG's or Judges not serving the Deep State will be kept in line with the ship missile system. The same applied for Ukraine, any politician's or leaders will comply due to the ship missile system.)

The CIA/MOSSAD use “Madams” like Alex Adam, Heidi Fleiss, Allison Mack and Rachel “Ray” Chandler to gather assets and groom victims for sexual blackmail. For example, Ray Chandler was used at locations like the Standard Hotel and Epstein’s Island. She is connected to the Rothschilds through her Hollywood friends like Nicky Hilton. She has many connections to Hollywood, Royals and Government leaders as well as Satanic connections like “spirit cooker” Marina Abramovic who was outlined in the Podesta emails. Madams like her use blackmail to secure power around the world for CIA/MOSSAD with evidence, filmed or otherwise of powerful individuals doing unconscionable things. Already shown by Allison Mack’s involvement with NXIVM, she was the Madam for that cult and groomed victims in much the same way as sex slaves and Ray Chandler = Allison MACK x 100. Mack was also connected to the Rothschilds through the Bronfman family. Britney Spears may have been a victim of their grooming and her recent Instagram posts imply she may tell their secrets. They openly flaunt they satanic symbolism in art, hand signals, jewelry and many other ways thinking no one will ever figure out their secrets but this symbolism will be their downfall. It is rumored that Senator Chuck Schumer is in Heidi Fleiss’s little black book. This was a list of names she had sexual business dealings with that she may come forward with someday.

Red Cross, Foreign Aid and funding through the Paris Accords supported their human/weapons/drug trafficking schemes. According to foreignassistance.gov; Bill and Melinda Gates Care and supported Save The Children have funds coming from the U.S. Department of State; Bureau of Population, Refugees, and Migration. Jeff Bezos Amazon, Red Cross and China's World Health Organization have funds coming from the U.S. Agency for International Development; Bureau for Democracy, Conflict, and Humanitarian Assistance. These are just a few of the organizations that US Taxpayers fund through Foreign Aid programs. It also goes to unknown or unverified vendors to Pakistan, Afghanistan, Africa, Haiti, Israel, North Korea, Kazakhstan, Kyrgyzstan, Tajikistan, Vietnam, India and China, the bulk of which comes through the U.S. Agency for International Development; Bureau for Democracy, Conflict, and Humanitarian Assistance. The Paris Accords is just one more way to get taxpayer money through their GCF fund, which funnels money to places like North Korea, even they claim US humanitarian aid is sinister scheme. The Red Cross's Gail McGovern's has a history of corruption with Hillary Clinton , The Red Cross also has a history of connections to the Rothschilds and Wallenbergs. These slush funds help to pay for their Deep State Shadow Government.

How might this benefit 'possible' ongoing investigations across inter-intra federal agencies?

(Knowing all available information ahead of time allows for counter moves to be planned)

HUBER >> HOROWITZ >> STORCH

(Jeff Huber of Google >> Direct Line via phone >> Adam Schiff)

US ATTORNEY (PROSECUTOR) >> DOJ/FBI INSPECTOR GENERAL
(INVESTIGATOR) >> SIGNALS INTELLIGENCE (SIGINT) AND INFORMATION
ASSURANCE (IA) PRODUCTS AND SERVICES

(Adam Schiff's foot soldiers use the threat of signaling the ship missile system to assure information, products and services are obtained.)

<https://www.justice.gov/usao-ut/pr/attorney-general-jeff-sessions-appoints-utah-us-attorney-john-w-huber-leadership-position>

(My Telegram sessions advise public of their ship missiles system and Jeff Huber's role in the scheme with direct oversight from Adam Schiff)

NSA been pushed since the beginning.

(NSA won't be pushed anymore, it's time to push back)

Logical thinking.

The "Experts"

(NSA Wizards and Warriors)

But... SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP

But... SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP [team of less than 20 typically] & wait 2-4 years [take a gamble]

(My Telegram will expose that Hillary Clinton and Adam Schiff controlled and surveilled the swamp via the ship missile system. They spied on House, the Press and the Senate as well as the Intel Committees. They also spied on President Trump and Senator Cruz during their 2016 Presidential Campaigns. There were 2-4 ports were open on Hillary Clinton's server which allowed remote access to the data anywhere in the world including the UK and China)

But... SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP because unlike the CLINTON EMAIL CORRUPT CASE [as demonstrated by the FBI/DOJ

people FIRED/REMOVED] this will be conducted faithfully and honestly [like MUELLER]

(My Telegraph will expose that Adam Schiff gave Hillary Clinton access to the Special Access Programs SAPs which led to her email scandal, Schiff and Clinton used the ship missile system threat to make sure it was conducted properly.

Leaked intel was received by China via Hillary Clinton's private bathroom server. Clinton used a personal email and computer to conduct official government business which goes against government policy. It was set up with limited security hardening which made it vulnerable to intrusion and theft as early as March 2013. She used non-government IT staff to maintain it as well which also goes against government policy. Germany and South Korea also had access to the server.

Hillary Clinton purposely used outside servers and a Shadow IT Bryan Pagliano and possibly others who did not have clearances to leak Special Access Programs SAPs information out. Using her personal email also allowed her to avoid and FOIA requests since she wasn't using an official government email. Obama knew about the servers and condoned it. SAPs are the most clandestine activities and are designated above Top Secret and many emails had "born classified" information on them, meaning classified from the start. IG reports showed some emails on the servers were there as early as 2009. The IG report was also modified and redacted by Rod Rosenstein which left out additional classified information. President Trump's attempt to declassify original unredacted report were met with the Cabal > Deep State threat of ship missile systems and could not be released.

When asked to produce the email evidence, Hillary Clinton deleted approximately 30,000 of the 60,000 emails and her servers were wiped clean, showing intent to deceive.

The classified information leaked did irreparable damage to national security since some contained information on the Drone program and also had names of CIA, NSA and other intelligence officers in them. This led to the Tarmac meeting between Former President Bill Clinton and AG Loretta Lynch that I mentioned above, in exchange for Hillary's exoneration, Lynch would get a seat on the Supreme Court. AG Lynch held up her end of the bargain, but Hillary didn't win in 2016 so couldn't fulfill her promise to AG Lynch. The Comey FBI report, altered by Peter Strzok, downplayed the incident from "gross negligence" to "extremely careless", helping to cover up her crimes.

Clinton was also allowing political access for donations to her Clinton Foundation CF, known as “pay for play”. CF has also been accused of money laundering in the past. Also, Romanian Marcel-Lehel Lazar aka Guccifer was able to hack into Sidney Blumenthal’s AOL account that showed correspondence to Hillary Clinton as early as March 2013.

The State Department was also used for spying for Clinton. According to Wikileaks, diplomatic cables were released in 2010 outlining the spying on foreign diplomats including the UN. This information was also stored on her bathroom server.

But... HUBER has not ‘directly’ interviewed several witnesses therefore the appointment of HUBER by SESSIONS [and therefore the IG] is not genuine

(There are many witnesses to the ship trafficking scheme that will come forward now because the threat by Schiff’s foot soldiers is no longer genuine. Securing most of the ship missiles systems from the Cabal>Deep State meant everything, this will bring severe pain to DC. You are witnessing, firsthand, the demise of the Old Guard. They can no longer hunt and are now the hunted.)

But... SESSIONS & HUBER are following standard DOJ open/ongoing investigation policy by not discussing [making public] so therefore nothing must be happening [FIRE SESSIONS!]

(Permission given to report on Huber and the human trafficking ship scheme despite the threat of ship missile system)

But... HUBER [ability to prosecute + empanel a grand jury outside of DC [90%+ voted HRC (2016)], who already began the investigation(s) late last year w/ assigned team of 470 investigators (attorneys) + IG + legal jurisdiction across all 50 states, is not a ‘special counsel’ so therefore nothing is being done

(There were 470 provisions in laws passed before 1976 that gave President’s emergency powers in the National Emergencies Act NEA. These emergency powers were already in effect last year against Schiff’s foot soldiers who recently lost 90% of their ship missile armada in ongoing military operations)

But... POTUS is attacking SESSIONS via TWITTER so therefore he is not working on behalf of the people’s interest (or POTUS’) [D’s/LEFT LOVE/TRUST SESSIONS!]

President Trump attacking me via Twitter was optics, my Telegram sessions are absolutely working for the people's interest and Trump loves to troll the Deep State, trust my Telegram sessions)

But... interestingly, if nothing is being done behind the scenes, why are so many FBI & DOJ senior officials being FIRED and/or REMOVED from their respective positions of power? Who is AG? Who must sign off on each removal? DOJ in charge of FBI?

(Military operations under President Trumps leadership removed 90% of their ship missile systems which means the Cabal>Deep State has lost its power

**President Trump is the Commander in Chief of the US Military. In the event of a terrorist attack or natural disaster, the Insurrection Act allows the President to use the US Military as a police force. To ratify the powers of this, Act the President must first publish a proclamation order insurgent to disperse. On Jan 6, 2021 President Trump releases a video statement telling Capital protesters to stay peaceful. No violence. And to go home. He then tweets a similar message a half hour later.

We now know that Antifa and Black Lives Matters were part of the protesters that stormed that Capital building Jan 6, President Trump was actually telling these insurgents to disperse.

But... interestingly, if nothing is being done behind the scenes, why are there 50,000+ sealed indictments across the US [what % = USA v. X?]? Coincidence vs. HUBER start?

(But... interestingly, if nothing is being done behind the scenes, why are there 200,000+ sealed indictments across the US. The revealing of the UK's involvement with the ship human trafficking scheme as well as Adam Schiff's exposure, is the start and opening of the indictments.)

But... interestingly, if nothing is being done behind the scenes, why are many 'powerful' CEOs, members of Congress/ Senate, resigning? Coincidence? Example: Pre_POTUS did the SPEAKER OF THE HOUSE indicate wanting to leave politics?

(But... interestingly, if nothing is being done behind the scenes, why are many 'powerful' CEOs, members of Congress/ Senate, resigning? Coincidence? Example: Pre_President Trump did Nancy Pelosi SPEAKER OF THE HOUSE indicate wanting to leave politics? No but now she has mentioned she may leave.)

But... interestingly, if nothing is being done behind the scenes, why are human trafficking arrests SURGING?

(One example: Operation Liberterra! Police rescue 430 human trafficking victims and identify 4,000 irregular migrants from 74 countries)

Nothing to See Here.

How do you accomplish the above?

Release a Coronal Mass Ejection CME from the Sun using the Cabal>Deep States ship missile system, or constantly threaten to release one.

Who benefits the most? The Cabal
